The

SCHOOL

our 1950 book

In presenting this, the Fifteenth Volume of the FARE FAC SAMPLER, we of the staff have tried to present all phases of school life in the hope that we may help you to re-live in your memory the days at Fairfax High School during 1949-1950.

If, at some future time, you can bring back through this book part of the spirit of Fairfax High School, we shall have achieved our purpose.

Dedication

WE

OF

FAIRFAX HIGH SCHOOL

with deep gratitude

dedicate this

1950

Fare Tac Sampler

TO

Vonna Watson Offield

in the hope that it may express in some slight measure
our appreciation for her many contributions to our
school and her untiring efforts in our behalf.

"The noble acts which she did, and her greatness, they
are not written: for they were very many."

—from *The Apocrypha*.

The

CLASSES

The Class of '50

Although this class is the smallest ever to graduate from Fairfax, it definitely is one of the most influential. The class is small because the eighth grade was installed just four years ago; therefore, the Seniors are all new students or people who wished to remain for a fifth year. Because of the size, the group has been united in effort and accomplishments. This ambitious group will be long remembered for their originality and spirit. It is the sincere wish of every Senior that he has made Fairfax High School a happier and better place than it was four years ago.

Seniors—As they were . . .

(See page 147 for identification)

Junior Class Play

The Juniors, class of '51, presented their three-act comedy, "June Mad," to an enthusiastic audience on the evening of November 18, 1949. This superb production gave vent to the talents of a hither-to untrained group of aspiring dramatists, and proved what spunk and spirit the Juniors have. "June Mad" will be remembered by outsiders as a delightful evening's entertainment and by the entire Junior Class as a memorable milestone of high school life.

Sophomore Class Meeting

The Sophomore Class, with Rufus Coldwell at the helm, finds it necessary, due to the large number of members, to hold its meetings in the auditorium. The activities are limited since the class is looking toward the Junior year when money will be needed for the Prom. The class has the distinction of contributing to the Golf Team four of its six members; this has been one of the most successful athletic teams of the year. The class is planning for and looking forward to a picnic and beach party which will be held during the closing days of the school year.

Junior Honor Society

The Lord Fairfax Chapter—Alpha Tau—of the Junior Honor Society, is made up entirely of ninth grade students who are taken into the society at the end of the eighth grade and after mid-term of the freshman year and remain during their first year in high school. As in the Senior Society, those who are outstanding in scholarship, leadership, character and service are eligible for membership. Members must be passed on again in the eleventh grade before they may join the Senior Society.

Eighth Grade Glee Club

The Glee Club is probably the most representative group in the eighth grade. It is made up of approximately 70 members, all of whom give up study time three times a week in order to sing. They have performed twice this year; once giving a program for assembly and again, being one of the main features on the program for Eighth Grade Night. Many in the group will go into regular music classes when entering high school next year and thus continue their musical career.

It is the purpose of the Editorial Board of *Fair Facts*, to publish, finance and support the school newspaper. This means: to see that all contracts are met, to see that everything that goes into the paper is suitable to print and read so that it represents the school fairly. To sponsor drives, drives for subscription, advertisement and other financial plans and to be responsible for all activities associated with the paper.

This year, more than ever before, the Student Government has been a part of every Fairfax High School student's daily life. Guided by the officers and cabinet, the organization has served as a link to connect the administration and the student body. Student Government has served as a clearing house, through which ideas of other organizations and individuals have been exchanged, shared, and carried out.

The success of any organization depends largely, if not wholly, on its officers and cabinet. The executive officers have not only fulfilled their official duties, but have acted as ambassadors, chairmen, and etc., on many occasions.

All members of the cabinet have worked unselfishly to make this year's Student Government the best. Through their initiative and complete cooperation has it been possible to carry on such an active program as was that of 1949-50.

Student Government is proud of its' accomplishments, and there is tangible evidence to prove what has been done this year. The Honor Plaque, presented to the student body in the

early fall, has become a vital factor of Fairfax's well being. Organization of a Welcoming Committee has given our school a reputation for being one of the friendliest schools in the state. Home-coming Week-end, the first ever held here, proved just how hard Student Government was willing to work to make a good thing successful. The Activity Point System, instituted this year, was run completely by members of Student Government. A weekly bulletin, *Who-What-Where-When*, has served the students of Fairfax all year, and it, too, is a "baby" of the council.

Student Government has sponsored other projects and executed other ideas this year that would be too numerous to mention. The students of Fairfax will remember all these things, though, because it was their spirit that inspired them, and their cooperation through which they were accomplished.

Your School Patrol has but one purpose in mind and that is to safeguard the lives of children going to and from school. The patrols, ever since 1944, when they were organized, have set their goals high and have lived up to them. Because of the unselfish vigilance of your patrols, Fairfax High has achieved a splendid safety record this year and in the past.

The Gamma Sigma Chapter of the National Honor Society strives to create an enthusiasm for scholarship, to promote worthy leadership, to stimulate a desire to render service and to develop high ideals and character in Fairfax High School. Membership in this organization carries one of the highest honors that can come to a high school pupil and denotes outstanding merit in four fields: character, scholarship, leadership, and service. During the year Gamma Sigma has prepared the honor roll after each grading period, conducted Christmas Chapel programs, given worthy service on Student Government and the Honor Court and assisted in many school activities. The outstanding contribution has been the awarding of a scholarship to college to some deserving senior. Money for this scholarship was raised by sponsoring a dance after a football game in the fall and selling Christmas cards. Two impressive induction ceremonies are conducted in assembly each year.

The Junior Honor Society began in June, 1949, when the summer induction ceremonies were held.

Junior Honor Society operates under a Constitution drawn up by the Society's Charter members.

AIMS:

1. To assist in the scholarship awarded to a worthy senior.
2. Back the advancement of the Honor Code.
3. To promote scholarship, character, service, and leadership.

Euphonium: *Clingenpeel, Calvert; Ball, Ted.

Tuba: Robbins, Walter.

Percussion: *Smith, Bill; Thompson, Willy; Anderson, Nils; Adams, Alliene; Cook, Beverly.

Our band began the year by marching and playing at the home football games. The band also marched at the traditional Turkey Day game at Mount Vernon High. Mr. Osadchuck, the Mount Vernon Director, directed the band in the first presentation of the new Mount Vernon School song. Halloween parades in Vienna and Fairfax were led by the FHS band. The Shriners from Alexandria were grateful to the members of the band for the concert they played in Fairfax. The band was out for the Christmas program at school and the Rotary Community party the same night. A sneak preview of the uniforms was allowed the students after the magazine drive went over the top. The public saw the uniforms in a concert appearance March 10. Eight members of the band made All-State Band at Winchester. Harrisonburg saw the Fairfax Band on March 25, when they received a three rating in the Music Festival. In April the band took part in the Apple Blossom Festival. The band was in the School Patrol Parade.

The Eighth Grade Glee Club has shown a great deal of interest in their organization this year. They meet during their study hall period several times a week.

This group's first performance was in the Christmas Pageant where they sang jointly with the High School Glee Club.

The purpose of the group is to sing for enjoyment and to prepare those interested for membership in the High School Glee Club.

GIRLS' SEXTETTE

Gulledge, Marguerite
Kline, Vadah
Redkey, Andi

After many tryouts early in the fall six girls were finally chosen as members of the Girls Sextette. The successful ones were Barbara Carroll and Vadah Kline, altos; Jule Gilbertson and Marguerite Gulledge, 2nd sopranos, Andi Redkey and Jean Cline, 1st sopranos.

The girls made their first appearance in an October assembly program. Other occasions at which they sang were the Home-Coming banquet, the Fall Talent Show where they won an honorable mention and the Christmas pageant.

The group plans to enter the District Festival in Harrisonburg, March 25th. They will also sing in several spring programs.

GOALS:

- To hold a regular business meeting and a social meeting each month.
- To draw up a Constitution.
- To learn and to practice good parliamentary procedure.
- To be active in P.W.F.A. Federation.
- To interest more girls in F.H.A. membership.
- To work toward degrees.
- To put the local chapter on a sound financial basis.
- To participate in the World Christmas Festival.

We went to the National Gallery of Art to see the Art Treasures from the Vienna collections.

We plan to have an artist from the community to visit the club and demonstrate various techniques in different media.

We will have an exhibit of fine arts and crafts done by Art Club members.

During our meetings we have learned to recognize art values through the study of famous paintings.

May, Anna
Rose, Priscilla

The aims of the Delta Epsilon Literary Club are: to foster an interest in literary activities; to develop an appreciation in reading, speaking, and acting; and to train further, pupils for our state contests of the Virginia Literary and Athletic League. These aims have been achieved through active participation in Literary Contests, dramatics, and public speaking.

The club members have enjoyed writing and producing radio "skits." Regular business and social meetings of the club have been held throughout the year.

The business club operates the concession at the sports attraction at the school. The club members work in the stands and take care of all business.

The club started the year with the objective of making \$1,000 for the school year 1949-50; at mid-term the club record showed a profit of \$617.31.

At the regular club meeting methods of improving the mechanical aspects of the organization are discussed.

Whenever vocational agriculture is taught in the United States or its territories, you will always find a Chapter of the Future Farmers of America. The Fairfax Chapter is a chartered member of the Virginia Association of the F.F.A., which in turn is a member of the National F.F.A. organization.

1948-1949 marked the first year of the return of vocational agriculture to Fairfax High School after a few years of being absent from the curriculum. During this first year the boys taking vocational agriculture applied and received a charter from the state allowing them to function as the Fairfax Chapter. Our Club work, at first, was to help Mr. Archer in organizing and assembling teaching materials and equipment for the new vocational agriculture department. Our work and classes at times were hampered by crews of workmen engaged in the last stages of construction on the west end of the High School.

The boys in the F.F.A. participated in several F.F.A. basketball games with other departments located in Loudoun County. The Club helped to trim the hedge in front of the school and aided in repairing the fence around the football field. The Club sent three representatives, James Dowell, Harold Young, and Tom Yarbrough, to the State F.F.A. Rally at Blacksburg, Va., in June, 1949. There the representatives attended different schools and acted as judges of dairy cattle for the Fairfax Chapter. Several electric brooders were made in the agriculture shop and were successfully used. Harold Young made a 16-foot brooder using 8 General Electric floodlights and successfully raised 1000 baby chicks. A great many of small farm tools were also repaired and sharpened in the school agriculture shop.

PROJECTION CLUB

OFFICERS

<i>President</i>	JOHN BELL
<i>Vice-President</i>	IKE PAYNE
<i>Secretary-Treasurer</i>	SI WAUGAMAN

Football became one of the sports of Fairfax High School in 1940. The first team, coached by Mr. Lawson, was composed of only twenty players and a small amount of equipment. Later, after expanding the team and securing the necessary equipment, Fairfax began to be recognized as a football power.

Due to a lack of experienced players, the varsity did not win a large number of games this year. Nevertheless, the team is improving. We all feel sure that in the following years to come our team will be one of the top.

Football has always been supported enthusiastically by the citizens of Fairfax and the members of the school in the past and we know they will continue to do so in the future.

Basketball is Fairfax High School's first and oldest sport. Starting in 1935, when basketball and baseball were the only sports it has since then become one of the most outstanding teams in Northern Virginia.

Although the team didn't chalk up a great number of victories this year, they made a very good showing, making most of their scores close.

TROPHY
CHAMPS

Girls' basketball began with the school in the year 1935. That same year the girls won the title of "Fairfax County Champions." They again won this title in 1939 and 1940.

This year the girls had one of the most successful seasons to date, winning nine, and only losing five. The varsity ended their season by winning the Tournaments, making them champions of the Metropolitan Area.

VARSITY BOXING

Managers

Chang, Tobler, Alves, Talbott

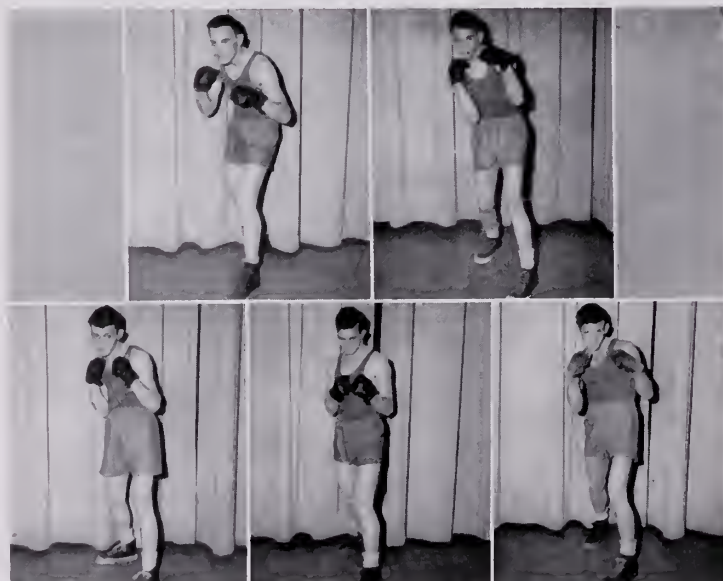

In 1944 we had the first Inter-Scholastic Boxing Meet. In the first year of its organization, the boxing team won the South Atlantic Boxing Tournament and became champions of the area.

Winning five matches, and only losing two, this year the Rebels again came out very good.

The victories that the boys have won this year and in past years show that they trained hard and worked hard. These boys deserve a great deal of credit.

VARSDITY BASEBALL

Ever since 1936, when baseball was organized, it has been one of Fairfax High's most outstanding sports. In 1943 the team won the Class A Northern Virginia Championship.

A large squad turned out in March as the "Rebels" started practice this year. Even though our team has only a few lettermen back from last year it should go a long way with the young players who will fill most positions on the field.

To Our Supporters—The Advertisers

THIS VOLUME of the FARE FAC SAMPLER, as well as those of the past, has been made possible in large measure by the interest, cooperation and financial support of those advertisers whose names appear in this section. To show our appreciation for this support, we urge that when you need services which any of our advertisers can give, consider those who have so generously contributed. Be certain that they know your patronage has been suggested because of their support of this publication.

EMPLOYMENT AND PROMOTION FOR ACCOUNTANTS AND SECRETARIES

High school graduates and college students choose STRAYER training because they save time, save money, and begin professional careers earlier.

Strayer Employment Service secures superior positions for graduates.

Professional degrees, B.C.S. and M.C.S., are conferred on completion of Business Administration and Accounting courses.

Guidance counselors recommend secretaryship as a career field offering many fascinating employment objectives.

Acknowledgment . . .

We, the students and faculty of Fairfax High School, wish to express to the editor, the sponsor and the entire staff of the FARE FAC SAMPLER our gratitude and appreciation for the efforts put forth in making the Fifteenth Volume of our book a success, thus giving us another accomplishment to add to our advancing record of progress.

The staff would like to take this opportunity to thank Mrs. Hopper, our advisor, for her guidance and help; Mr. MacIntyre and Merin Studios for their services and cooperation with our photographs; Mr. Hicks and Mr. Penny of Brown-Morrison for their efforts in producing this book, the finest we have ever edited; all our advertisers who have made our undertaking an overwhelming financial success; the willing group of typists and other helpers not on the staff who have worked endlessly without credit; and all other individuals who have contributed in any way to the successful completion of our task.

Mr. Russell Locks Up . . .

The End

VRARE 373.755 F 1950 V.15
